# Report on IEEE Student Branch Inauguration at B.P Poddar Institute of Management and Technology

On 6th April 2023, the IEEE Student Branch Inauguration was held at B.P Poddar Institute of Management and Technology. The Program was Inaugurated by Principal Prof. (Dr.) Sutapa Mukherjee. The event was a grand success with approx. 170 number of participants from different department.

The event was graced by four notable speakers, Ms. Nita Patel, President of IEEE Computer Society, Mr. Eric Berkowitz, Director of Membership IEEE Computer Society, Sayak Paul, ML advocate engineer at Hugging Face, and Prof. Shib Sankar Saha, Chairman of IEEE IAS Kolkata Chapter and HOD of EE at Kalyani Government Engineering College.

Ms. Nita Patel and Mr. Eric Berkowitz joined the event online via Google Meet, and they shared their knowledge and expertise with the attendees. Nita Patel spoke about the latest trends and developments in the field of computer science, and Eric Berkowitz highlighted the benefits of joining IEEE Computer Society.

Sayak Paul delivered an informative speech on DALL-E-2 (a text-to-image generation and image editing system by OPENAI) and also the impact of Machine Learning on the current and future technological landscape. He shared his personal experiences and journey in the field of ML and inspired the students to pursue their interests in the field of Machine Learning.

Prof. Shib Sankar Saha gave an informative talk on the importance of IEEE and its role in shaping the future of technology.

The event also featured a quiz contest, which tested the participants' knowledge in various technical and non-technical domains. The quiz was conducted in an interactive and engaging manner, and the participants thoroughly enjoyed it.

During the IEEE Student Branch Inauguration at B.P Poddar Institute of Management and Technology, the organizers showcased their website to the attendees. The website provided information about the IEEE Student Branch, its mission, and objectives. The website also provided details about upcoming events, technical workshops, and competitions. Overall, It provided a platform for students to stay updated about the latest events and activities and helped in building a sense of community among the attendees.

The inauguration of the IEEE Student Branch was an important milestone for the students of B.P Poddar Institute of Management and Technology. The IEEE Student Branch will provide a platform for students to enhance their technical skills, participate in various technical events and competitions, and interact with professionals from various industries.

In conclusion, the IEEE Student Branch Inauguration at B.P Poddar Institute of Management and Technology was a great success. The event provided a platform for students to learn and interact with professionals from various industries, and the quiz contest added a fun and interactive element to the event. The participation of Nita Patel and Eric Berkowitz further enhanced the value of the event and provided the students with a broader perspective on the field of computer science. We hope that the IEEE Student Branch will continue to grow and provide opportunities for the students to enhance their technical skills and excel in their careers.
