INAUGURATION OF DIVYANTRA- The ROBOTICS CLUB

Organized by

TECHNICAL FORUM (Abhiyantran), BPPIMT

Date of event: October 7th, 2023

Abhiyantran - The Technical Forum of B. P. Poddar Institute of Management & Technology, Kolkata inaugurated the institute Robotics club-DIVYANTRA on 7th October, 2023 at Seminar hall. Registrar Sir Dr. Subhasish Pradhan inaugurates the Robotics club. Divyantra is a platform where passionate minds converge, share ideas, and work together to turn their visions into reality. It is a space where we nurture creativity, cultivate technical skills, and foster a spirit of teamwork. It was a very nice initiative by all the team members of Divyantra for taking establishing the club with lots of innovative ideas and vision.

In the upcoming day, the club will organize workshops, competitions, and events that will not only challenge the intellect of the young minds but also ignite the passion for robotics. This robotics club pledge to use the knowledge and skills for the betterment of humanity, to tackle challenges in healthcare, environment, and beyond. The students of Divyantra demonstrated their innovative models and shared their incredible journey into the captivating world of robotics and drones during the inauguration programme. Dr. Gitosree Khan, Coordinator of Techforum, BPPIMT gave a vote of thanks to the audience. The session ended with the flying of drones to the sky, a symbol of the limitless possibilities that Divyantra robotics Club and the world of robotics holds.
