

Seminar on “Introduction to IoT and it's application in the Industry”

A virtual seminar has been organised by the Industry Institute Partnership Cell of the institute on 26th April, 2021, the topic being "Introduction to IoT and it's application in the Industry”.

The speakers of the session were Mr. Sivashreet Maharara of Dadhichi Infotech and Mr. Sandeep Bhaduri of Datamaze.

Today the world is moving towards smart cities, smart healthcare etc and so there is a major paradigm shift. This new computing paradigm is powered by the cross technology platform Internet of things. This is the platform where students from CS and non CS background can work together for the betterment of the society.

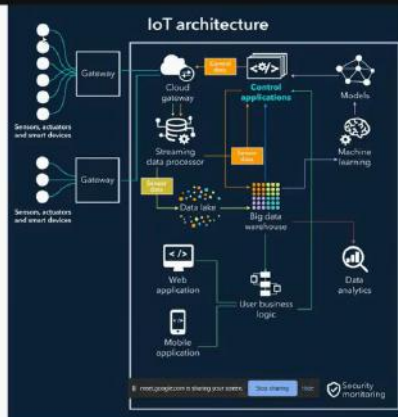

We are thankful to Mr. Sivashreet Maharana and Mr. Sandeep Bhaduri for this session on this emerging topic which gave our students an insight into how the Industry is moving in this direction and thus bridging the gap that we have with industry.

The poster features a dark blue background with a network of glowing blue nodes and lines. In the top left corner is the BPPODDAR logo, a circular emblem with 'BPPODDAR' and 'PODDAR INSTITUTE OF MANAGEMENT & TECHNOLOGY' text. In the top right is the Datamaze logo, consisting of a stylized 'D' and the text 'Datamaze data made easy'. The main title 'Introduction to IoT and its applications in the Industry' is written in a large, bold, yellow font. Below it, in a smaller yellow font, is 'Organised by Industry Institute Partnership Cell, BPPIMT and Datamaze, Kolkata'. Further down, in white text, are the speaker details: 'Speaker: Mr. Sivashreet Maharana, CTO & Director (R&D), Dadhichi Infotech', 'Guest Speaker & Moderator: Mr. Sandip Bhaduri, Datamaze', 'Welcome Speech: Dr. Jayeeta Chanda, Associate Professor (CSE), BPPIMT', and 'Date & Time: Monday, 26th April 2021 at 11 A.M. on Google Meet'.
