

Report on Award ceremony of Research Publication Reward for AY: 2021-22

The annual award ceremony of Research Publication Rewards for the academic year 2021-22 was held on 7th February, 2023 to recognize high quality research of faculty members and students. The award ceremony was organized by Research & Development Cell, BPPIMT in association with IQAC and IIC, BPPIMT. The reward is a cash prize awarded for each research paper published for each author, amount for which is decided based on the NIRF assessment metric on Research Productivity, Impact & IPR (RPII). A total of 11 faculty members were rewarded for 20 publications and 1 patent published during the year 2021-22. The program started with welcome address by Dr. Ananya Kanjilal, Coordinator R&D Cell, BPPIMT and attended by the faculty members of BPPIMT across all departments. Prof. (Dr.) Sutapa Mukherjee, Principal, BPPIMT, Prof. Dipankar Sarkar, Dean, R&D, BPPIMT and Prof. B. N. Chatterji, Emeritus Professor congratulated all the recipients of the award and shared their words of wisdom to encourage and motivate all towards continuous improvement in research.
